

# DARBELLAY Raphaël

**P:** +41 (0) 77 473 52 49  
**E:** z@raphaeldarbellay.ch

*Development engineer with a double Bachelor's degree (BSc) in Business Information Technology and Business Administration from the HES-SO Valais/Wallis*

## PROFILE

*Passionate about IT and technology, I wanted, after a first successful experience in a renowned financial institution, to train in the field of IT and develop new skills.*

*Today, I have a double degree of Bachelor in Computer Science and Business Administration, and I want to put these skills to good use in the field I am particularly fond of; Business Information Technology.*

## DETAILS

**Age:** 22    **Date of birth:** 14.02.2000

**Nationality:** Swiss

**Language:** French (Primary), English (C1)

**Home Town:** Monthey, Valais

## WORK EXPERIENCE

## EDUCATION

Present  
July 2021

▶ **Development engineer @ Groupe Mutuel**

📍 Sion

Currently employed as of 1 July 2021.

**Bachelor of Science HAAGA-HELIA (BSc) in Business Administration**

Helsinki, Finland

**2020 - 2021**

- Digital services
- Software engineering
- ICT-infrastructures and IT security
- Business development
- Business IT solutions

Present  
May 2020

▶ **Co-founder @ BonApp's**

📍 Siere

In order to create a meal delivery solution for university students that would allow me to use the knowledge I gained during my studies, I decided to join the company foundation.

**Bachelor of Science HES-SO Valais (BSc) in Business IT**

Valais, Switzerland

**2018 - 2020**

- Information systems architecture
- Software development, ergonomics
- Data-based intelligence
- Leadership and project management
- Security and computer networks

March 2021  
February 2019

▶ **Founder @ UPPERCUT Trading**

📍 Switzerland

Wishing to share my knowledge of the financial markets, I have created my own brand and provide training and advice on this subject. Entrepreneurship is one of the skills I have learned.

**Federal Certificate of Proficiency (CFC) for Commercial Employees (M) & Federal Vocational Baccalaureate**

Vocational School of Sion, Valais

**2015 - 2018**

- French (Language of instruction)
- German (B1)
- English (B2)
- Mathematics
- Information, communication, administration
- Economy and society
- Interdisciplinary skills

June 2021  
January 2019

▶ **Co-founder @ Junior Enterprise Valais**

📍 Siere

Eager to show my ability to work while studying in parallel, I joined the foundation. The position of web developer that I have held since the beginning allows me to develop my skills in this field. And the positions of vice-president and account manager that I held until 2020 allowed me to broaden my knowledge in team and financial management.

March 2020  
October 2018

▶ **Student work @ McDonald's**

📍 Collombey

As a student at the HES-SO Valais, I decided to work in a well-known brand around the world. This work allows me to gain a lot in terms of financial independence and responsibility.

August 2018  
August 2015

▶ **Commercial employee CFC - Profile M @ UBS Switzerland AG**

📍 Valais

Passionate about finance, it is only natural that I completed an apprenticeship in one of the world's largest banks. This apprenticeship position allowed me to work in the world of wealth management, advising private clients but also managing corporate clients. In addition to my banking knowledge, I have developed new personal skills such as good stress resistance, an increased sense of attention and an almost surgical organization.
